Mžo:

There's nothing great

Except my team

There's nothing huge  
Except my dream

\*

There's nothing weak  
Except my knee

There's nothing close  
Except my pee

\*

There's nothing featured  
Except my money  
There's nothing dangerous  
Except my honey

\*

There's nothing stupid  
Except my tomorrow  
There's nothing infinite  
Except my sorrow
