The woman seated herself in the psychiatrists office.

"What seems to be the problem?" the doctor asked.

"Well, I, uh," she stammered. "I think I, uh, might be a nymphomaniac."

"I see," he said. "I can help you, but I must advise you that my fee is \$80 an hour."

"That's not bad," she replied. "How much for all night?"

A guy shopping in a supermarket noticed a little old lady following him around. If he stopped, she stopped.

ĩ

Furthermore she kept staring at him. She finally overtook him at the checkout, and she turned to him and said, "I hope I haven't made you feel ill at ease; it's just that you look so much like my late son".

ĩ

He answered, "That's okay" .

ĩ

"I know it's silly, but if you'd call out Good bye, Mom as I leave the store, it would make me feel so happy".

ĩ

She then went through the checkout, and as she was on her way out of the store, the man called out, "Goodbye, Mother". The little old lady waved and smiled back at him.

ĩ

Pleased that he had brought a little sunshine into someone's day, he went to pay for his groceries. "That comes to \$121.85", said the clerk.

ĩ

"How come so much. I only bought 5 items".

The clerk replied, "Yeah, but your Mother said you'd pay for her things, too".

I recall my first time with a condom. I was 16 years old and went in to buy a packet of condoms at the pharmacy. There was a beautiful female assistant behind the counter and she could see that I was new to this. She handed me the package and asked if I knew how to wear one.

I answered honestly, "Well, not exactly; this is my first time." So she unwrapped the package, took one out and slipped it over her thumb. She cautioned me to always make sure it was on tight and secure. I nodded yes but apparently I still looked confused. So she looked all around the store to see if it was empty. It was.

"Just a minute," she said, as she walked to the door and locked it. Taking my hand, she led me into the back room, unbuttoned her blouse and removed it. She unhooked her bra and laid it aside. "Do these excite you?", she asked. I was so dumb-struck that all I could do was nod my head rapidly and smile. She then said it was time to slip the condom on.

As I slipped it on nice and secure, she dropped her skirt, removed her panties and lay back on the desk. "Well, come on", she said, "We don't have much time."

So I climbed up on the desk and entered her. It felt so wonderful that unfortunately I couldn't hold back and KAPOW!!, I was done within just a minute, if even that long.

She looked at me with a bit of a frown. "Did you put that condom on?", she asked.

I said, "I sure did" ,,,,,,,and held up my thumb to show her.

A police officer pulls over a speeding car. The officer says, ' I clocked you at 80 miles per hour, sir.'

The driver says, 'Gee, officer, I had it on cruise control at 60; perhaps your radar gun needs calibrating. '

Not looking up from her knitting the wife says: 'Now don't be silly, dear -- you know that this car doesn't have cruise control.'

As the officer writes out the ticket, the driver looks over at his wife and growls, 'Can't you please keep your mouth shut for once !! ?'

The wife smiles demurely and says, 'Well dear you should be thankful your radar detector went off when it did or your speed would have been higher.'

As the officer makes out the second ticket for the illegal radar detector unit, the man glowers at his wife and says through clenched teeth, 'Woman, can't you keep your mouth shut?'

The officer frowns and says, 'And I notice that you're not wearing your seat belt, sir.

That's an automatic \$75 fine.'

The driver says, 'Yeah, well, you see, officer, I had it on, but I took it off when you pulled me over so that I could get my license out of my back pocket.'

The wife says, 'Now, dear, you know very well that you didn't have your seat belt on. You never wear your seat belt when you're driving.'

And as the police officer is writing out the third ticket, the driver turns to his wife and barks, 'WHY DON'T YOU PLEASE SHUT UP??'

The officer looks over at the woman and asks, 'Does your husband always talk to you this way, Ma'am?'

"Only when he's been drinking.!"
